Proposal for Online Internship Training Program

Introduction

Gurushishya Multiskills Pvt. Ltd. is proud to introduce an **Online Internship Training Program** tailored for **IT Diploma and Engineering students**. This program is structured to bridge the gap between academic knowledge and industry requirements by offering a combination of theoretical training and practical work experience. Through this initiative, students will receive **live training sessions, hands-on practice, and industry exposure**, thereby enhancing their professional competence and employability.

Program Overview

- **Duration:** 3 months
 - **Mode of Training:** Online
 - **Training Schedule:**
 - **Saturday & Sunday:** Live interactive sessions conducted by experienced industry professionals.
 - **Monday to Friday:** On-the-job training with real-world projects and assignments to ensure practical learning.
 - **Stipend: Rs. 1,000 per month** (starting after successful completion of the initial 3-month training period).
 - **Eligibility for Extended Training:**
 - After completing 1 year of training, students will undergo an **evaluation process consisting of an interview and an examination**.
 - Successful candidates will be allowed to **continue the training for up to 3 years**.
 - After completing 3 years, students will be awarded an **Experience Certificate**, validating their skills and work experience.
 - **Fee Structure:** Rs. 3,540 (**One-time, Non-Refundable**), including GST.
-

Breakdown of Fees (Rs. 3,540)

The one-time payment includes:

1. **Rs. 500** - Registration Charges (Administrative and Processing Fee)
 2. **Rs. 1,000** - Beeago Dashboard Activation (www.beeago.com) for accessing training materials and progress tracking
 3. **Rs. 1,500** - **3-Month Training** Fee covering expert-led sessions and practical assignments
 4. **Rs. 540** - GST (Government Tax)
-

Internship Benefits & Job Assistance

Our program goes beyond training by offering **career-building support**:

- **Practical Industry Exposure:** Students will work on **live projects**, giving them hands-on experience in IT domains such as web development (WP), IoT, AI, CMS, and more.
 - **Mentorship:** Regular guidance and feedback from experienced trainers.
 - **Flexible Learning:** Weekend live classes supplemented with weekday practical assignments.
 - **Certification & Stipend:** Receive a stipend after 3 months and an **Experience Certificate after 3 years**, making students job-ready.
 - **Job Placement Assistance:**
 - Resume Building and Soft Skills Training
 - Mock Interviews and Career Counseling
 - Placement Support with Partnered Companies
-

Enrollment Process

To join the internship training program, students need to follow these simple steps:

Step 1: Document Submission

Send scanned copies of the following documents to **hr@beeago.com**:

- Living Certificate
- Final Year Marksheet (for verification of academic eligibility)
- CV/Resume
- Passport-size Photo
- Adhar Card (Identity Verification)
- Bank Passbook (for stipend transfer)

Step 2: Payment Process

Once the scanned documents are received, our team will verify them and provide the candidate with a **secure payment link**.

Step 3: Dashboard Activation

After the successful payment, students will receive their **Beeago Dashboard Login Credentials** to access study materials, live session links, and assignment portals.

Step 4: Training Begins

Students will officially begin their internship, attending live sessions on weekends and applying the concepts in weekday practice.

Why Choose Gurushishya Multiskills Pvt. Ltd.?

1. **Industry-Centric Curriculum:** Our training modules are designed to match current industry trends, making students job-ready.
2. **Flexible Learning Approach:** Students can learn at their own pace with weekend live sessions and weekday hands-on practice.
3. **On-the-Job Training:** Gain **practical work experience** through real projects.
4. **Affordable & Transparent Pricing:** One-time payment with no hidden charges.
5. **Skill Development & Career Growth:**
 - Work on real-world projects and enhance technical proficiency.
 - Stipend support after 3 months.
 - Experience Certificate after 3 years.
6. **Job Placement Assistance:** Career support including resume guidance, interview training, and job referrals.

This program is an excellent opportunity for IT Diploma and Engineering students to **gain real-world experience, enhance their skills, and increase their job prospects** in the ever-evolving tech industry.
